Dear author:

**LIVE FROM LONDON:
MUST BE QUICK: we have only until Monday
morning to make this happen!!**

Our London Book Fair delegation just discovered that we're sharing exhibition floor space with

Amazon Publishing!

Amazon is not only a bookseller, but lately also a publishing giant. Using various imprints, Amazon now publishes their own books, almost all of which become **Immediate bestsellers.**

If you feel that your book deserves to become an Amazon Publishing bestseller,

we'll walk over to the folks at Amazon Publishing and bring YOUR book to their attention now that we are virtual neighbors at the London Book Fair, only steps away from PublishAmerica's promotion booth. Probably they don't know yet about your book, since Amazon is selling millions of different titles. We can change that in London! The Fair officially kicks off on Monday.

Go to www.publishamerica.net/service/AmazonLondon.html to activate for **only \$19!** We will make sure that Amazon Publishing will notice your

book. We will urge them to review your book and purchase your book's publishing rights! We will gladly and proudly transfer the rights to them!

Must choose a shipping option to activate. No use of coupons is allowed.

MUST BE QUICK: we have only until Monday morning to make this happen!!

Thank you,
