Dear author:

We had a very good meeting with China's main literary agency yesterday, during the London Book Fair. Then Chinese radio and TV came to our promotion booth!! All showed an urgent interest in PublishAmerica books and authors. They urged us to come to Beijing this summer, to visit the Beijing Book Fair.

Do *you* want us to present
and promote
your book

in China?

(We'll go if you say yes!)

After meeting with the Chinese in London we are now very close to deciding to go. And if you want us to promote your book in the world's most populous nation, with now the most books published, and the most internet users, say the word and **we'll get on the plane and promote your work in China, and tell them all about you!**

Go to www.publishamerica.net/service/ChinaYes.html for \$29, and we will introduce your book at the Beijing Book Fair, where all of China's 500

publishers and their literary agencies will come together, eager to see ur books! MONEY BACK: if for any reason at all we end up not going to Beijing, you will receive a full refund.

Must choose a shipping option to activate. No use of coupons is allowed.

Thank you,

–PublishAmerica Bookstore
