Dear author:

HURRY OPPORTUNITY!

Our delegation at the Guadalajara International Book Fair has gained direct access to **more than 50 literary agents** from countries all over the world. The agencies want to sell foreign translation rights to our books. **Your book!**

We want to show your book to more than 50 foreign literary agents while we have access to them during the Fair. These are **top agents** who work with the world's major publishers. They have only one job: to sell translation rights.

Instruct us to bring your book to their attention, today!

Go to www.publishamerica.net/service/50Agents.html to activate for **\$39**. We will bring your book to the attention of more than 50 literary agents from countries all over the world now that we have direct access to them during the big international book event in Guadalajara, Mexico, and explain to them why your book deserves to be translated in foreign languages all over the world!

Must choose a shipping option to activate. No use of coupons allowed.

Mention your book title.

**Time is of the essence! The Fair lasts only
a few more days!**

Thank you,
