Dear author:

Random House has contacted us. Random House Mondadori wants us to buy the rights of some of *their* books. We want them to buy the translation rights of some *our* books.

The contact took place during the Guadalajara International Book Fair that is in full swing today. PublishAmerica and Random House Mondadori are both exhibitors in Guadalajara this week. Mondadori is Random House's Spanish language branch.

Our delegation has been instructed to pre-negotiate with Random House this week.

Do you want your book to be part of our negotiations with Random House in Mexico?

Go to www.publishamerica.net/service/Random.html to activate for \$39. Random House has presented us with their Mondadori titles they want us to consider buying the rights of, and in return we will give them your book to discuss! We start the negotiation process this week.

Must select a shipping option to activate. No use of coupons is allowed. Mention your book title.

Thank you,
--PublishAmerica Bookstore
