**Frequently Asked Royalty Statement Questions:**

**Why aren't books sold last month on my statement?** All books bought directly from PublishAmerica are included in this statement; books sold through vendors, including Amazon, may not yet be included. PublishAmerica pays royalties on sales proceeds that it has received. Vendors, however, have up to 90 days or longer to pay PublishAmerica. Thus, PublishAmerica may not have received payments yet for books sold by some retailers and online vendors. PA will include royalties for those sales on the next royalty statement.

**What are my royalty cut-off months?** January and July, typically the last week. We forward our semi-annual statements at the end of February and August.

**Where are the royalties on copies of my own book that I bought?** Authors are not paid royalties on books that they purchase themselves, per your contract, unless they were purchased when we ran a special promotion that indicated otherwise.
