Dear author:

We are introducing our best **Non-Fiction** works to **Barnes and Noble** and **Books-a-Million**, in a beautiful full color presentation that is **specialy targeted to Non-Fiction books only**. They include history, biography, health, food, education, self-help, memoirs, philosophy, sport, business, economy, politics, but exclude Christian books.

Together **Barnes and Noble** and **Books-a-Million** have
1,573 bookstores.

That's a lot of bookshelves they need to keep filled. Therefore these giants have book buyers who decide which Non-Fiction books to order for stocking as the holidays sales season approaches.
