"I just received my book cover and I am thrilled. I submitted a pic for the cover but it was rejected. I am not disappointed because they did such a wonderful job without the help of a designer. I am a believer that PA knows best what I need for a cover."

"When PA published my children's book, *The Purple Scarf*, it was like a dream come true. Since then, my newspaper, *The Oakland Press*, Hometown edition for Waterford/Clearwater area interviewed me and wrote a two-page story on my and my book. In addition, I was reading at the Ferndale Public Library, where a photographer from the local newspaper came and took lots of pictures. I feel like a celebrity!  
Thanks PA!"
