Frequently Asked Royalty Statement Questions:

What Happened To Books Sold Last Month: all books bought directly from PA are included in this statement; books sold through vendors, including Amazon, may not yet be included. PA pays royalties on sales proceeds that it has received. Vendors, however, have up to 90 days or longer to pay PA. Thus, PA may not have received payments yet for books sold by some retailers and online vendors. PA will include royalties for those sales on the next royalty statement.

What Are My Royalty Cut-off Months: January and July, typically the last week; we forward our semi-annual statements at the end of February and August.

Where Are The Royalties On Copies Of My Own Book That I Bought: authors are not paid royalties on books that they purchase themselves, per your contract, unless we ran a special promotion that indicated otherwise.

Who Do I Contact For Questions About My Statement: email your query to royalties@publishamerica.com; we will make every attempt to fully answer your question within seven business days.
