Subject: Extra Royalties: Celebrating PublishCanada?

Dear Author,

This just in: PublishAmerica introduces PublishCanada!

Just kidding, of course we won't change our proud and famous name, but we do want to let you know that PublishAmerica is now strengthening its ties with Canada's largest bookseller Chapters/Indigo, the equivalent north of the border of Barnes&Noble or Borders. All of PublishAmerica's active titles will be available to every single Chapters store, and also to their online store www.Chapters.ca.

To make it even more attractive, we are lowering all Canadian list prices down to where 1 Canadian dollar = 1 U.S. dollar. If a book lists for US\$19.95 in our domestic market, it will list for CAN\$19.95 in Canada. This equals a list price reduction of roughly 20 percent in the land of the Royal Mounties!

So let's do the Royalty Amount thing for those of you who want to keep copies of their book on hand. In fact, once again we'll throw in free shipping, US domestic sales only, for all of these following orders.

- * **Between 5 - 50 copies: we offer 35 pct discount, plus we pay royalties, plus we do FREE shipping;**
- * **51 - 100 copies: 40 pct discount, plus we pay royalties, plus FREE shipping;**
- * **101 - 200 copies: 45 pct discount, plus we pay royalties, plus FREE shipping.**
- * **201 or more copies: 50 pct discount, plus we pay royalties, plus FREE shipping.**

Phone orders only, at **301 695-1707**, between **9am - 8pm EST**. Offer expires May 30, only 4 days from now! Free shipping within US only, hardcover books excluded from offer, but **fullcolor books are included!**

Thank you.
