Subject: September Special

Dear Author,
Periodically we announce special sales offers from which our authors may benefit. Here follows September's.

Please note, as always, that at a traditional publishing house such as PublishAmerica, authors are never under any obligation to purchase their own book. Only obtain extra copies of your book if you want to have them on hand for special occasions of your own choosing.

For those of you in that category:
orders of **50 or more books** will receive a **45 pct discount**;
orders of **75 or more books** will receive a **50 pct discount**;
orders of **100 or more books** will receive a **55 pct discount**;

and here's a special one:
orders of **125 or more books** will receive a **60 pct discount**.

Phone orders only, at **301-695-1707**. Sorry, full-color and hardcover books excluded. Offer expires Sept. 14.

Thank you.
