Dear

Your book "The Eternal Perspective: Essays on the Truths of Christianity by a Former Skeptic", has shown no sales for longer than a year.

At this time you may want to have your book's publishing rights reverted back to you.

We can arrange that.

Go to <http://www.publishamerica.net/service/term-rights.html> and instruct us to return the rights to you. In the Ordering Instructions box, write your name and the title of your book. We will forward the termination documents to you.

There are no strings attached to this termination except the \$99 processing fee that covers our administration costs and our de-listing obligations to vendors and/or wholesalers. You must choose a shipping/fulfillment option to activate your rights return instruction.

This opportunity expires this week.

Thank you for having been a PublishAmerica author, or for sticking around if that's what you prefer!
